Description

Hi, I'm Lexi! I've been in 4-H for 9 years. I have raised lambs for 12 years with my family. I take great pride in taking my project from a ewe lamb, to raising it to be a momma, breeding, and having the babies be born!

This lamb is Venom. He is home raised from a home raised ewe that we AI'd with Crego Livestock to the ram Breakout. I love Marvel movies and named him after the movie Venom - it's one of my favorites!

In addition to raising and showing lambs, I also raise and show Nigerian Dwarf goats, show market goats, ride and show my Arabian mare- Dakota Dawn, and participate on the El Paso County Horse Judging team as well as the Livestock Quiz bowl team. I also

work at a horse boarding facility to help pay for my horse. It's been a busy year for sure!

I love animals, and I love breeding and showing them! My future is calling me to work with animals for a career, whether it's veterinary medicine, working in a zoo, or something else, I know my heart is drawn to the animals.

It is my honor to present this lamb for auction. Learning about the agricultural industry and how our food gets to the table! Your support helps further my project and my educational opportunities!
