Description

Hello my name is Marshall Crippen. This is my 4th year in 4H. I have shown hogs and cattle in the past. This year I brought a breeding heifer and a market steer to the El Paso County fair. My steers name is Brennon. He was born May 12th from one of my cows. I have raised him from the day he was born. He has grown really good. He won Reserve Grand Champion in rate of gain. I think that he was able to do this because I only fed him the highest quality feed. I have worked with him to get him ready to show and look forward to seeing how he does but I know he will be great. I hope that you choose to support my project as I will be using the funds to start my projects for next year.
