Date of Reported Weight 07/31/2023

Description

Hello, my name is Breanna Brassington, and I am 11 years old. This year I am selling a market pig. I have been doing this project for the last four years and I really enjoy it. The money that I make will help me do this project next year and half of the money will go into a separate account for my college fund. I love 4-H and the swine project is my favorite, because I get to help other 4-H kids with their project and I love spending time with my animals. Thank you for your consideration in purchasing and or adding on to my animal. Without generous people and companies like yours I would not be able to continue showing livestock. I hope to see you at the fair and the Junior Livestock Sale! Thanks again for all your support!
