**Animal Weight (in Pounds)** 1195

**Date of Reported Weight** 08/01/2023

**Short Description** Angus Cross Market Steer

**City** Rangely

### **Description**

Hello my name is Corbin Lucero, this is my last year in 4-H and selling at the Rio Blanco County Fair. Steers are my life. I've poured my heart and soul in my steers throughout my 4-H career. I've worked hard to build the quality in the steer program here in Rio Blanco county. For the past 4 years I have taken grand champion with my market steer and won numerous jack pots. This year I plan to take my grand champion on and show him at the Colorado State Fair and maybe even on to a national show. Since this is my last year I have traveled a lot to various shows and really searched for premium steers. I have also decided that I'm not ready to be done with steers, so I bought a heifer and will begin to breed my own market show steers. This year I also showed a pig. Through my 4-H career I have also showed lambs and horses. For several years I have been an officer at both my local club and council levels. I'm also active in FFA, serving various officer positions over the past four years.

I'm a recent graduate of Rangely Jr/Sr High School. In a few weeks I will begin my pre-requisite classes at CNCC to gain entry into the nursing program. In May I began working at Rangely's hospital to learn the basics as a nurse aid and work my way up and through college to become a nurse. In high school I was an active leader, serving on the student council and was a class officer all four years. My other hobbies include football, basketball which I played all four years. I even participated in track for a couple of years.
