Description

Hi, my name is Ryleigh Beall. I am 13 years old and attend Southern Middle School. I have been in 4-H for 5 years. I raise Market and Breeding Boer Goats, and Market Hogs. I am a Junior Member of the Southern Maryland Agriculture Development Commission Program. (SMADC). I love riding horses, playing soccer, dancing and playing with all of my animals.

My market goat's name is Clark. He is named after Clark Griswold in Christmas Vacation. He was born on January 21st 2023, at my house. He is pasture raised and grain finished. He is a traditional Boer goat with a black cape. Clark has a very bold personality and likes to challenge the adult goats. This summer we went to a livestock show in St Mary's called SMILE. I placed well with him and had a great time. This year

we taught them how to walk on the goat walker on the back of the tractor. The funds I ears each year go to another animal project in the future.

I would like to thank Jeff Ferguson of FTC Aggregate for his continued support and purchase of my market hog in 2022. Another thanks to Sonny Bobcat Grading Services who bought my other market hog in 2022

Thanks,

Ryleigh
