### **Description**

Hi, my name is Savannah Beall. I have been in the Harwood 4-H Club for 6 years. I live in Lothian, MD. I am 15 years old, and I am a 10th grader at Southern High School. This year, I raised one market goat and one market lamb. I love reading, art, and my animals.

This is Severus, he was named after Professor Severus Snape from the Harry Potter books and movies. He was born on January 21, at my barn. He is 8 months old. Severus is a Boer Goat raised for market. He is all black and he is pasture-raised and grain-finished. He likes to try and play with his older sister Dixie. Severus does not have as much personality as his brother Clark. At the SMILE show this past June he won First place and Champion in showmanship. I hope to use this year's proceeds to pay for my animals and feed for this upcoming year.
