Description

Hansel is a Hampshire Cross just like his farm companion, Gretel. Together, they have spent the summer training in hopes of sweet treats and long walks! You won't need a trail of bread crumbs to find a reason to bid on this strong lamb!

This is my first year raising lambs on my own (I did help show my brother's last year). I am a junior member of the Southern Maryland Agricultural Development Commission (SMADC). I plan to use my earnings this year to support my project for next year, to save, and to go on a shopping spree!
