Description

Beavis is a Hampshire Cross who spends his days with his good buddy, Butt-Head. Just as you would expect, Beavis is not the sharpest tool in the shed, but he is ever faithfully found following Butt-Head around their pen. Don't miss out on this dynamic duo

This is my fourth year raising lambs. I chose my lambs this year for their good similar structure. They are nice alone, or as a market pair. I am a junior member of the Southern Maryland Agricultural Development Commission (SMADC). I plan to use my earnings this year to support my project for next year, to save, and to invest in a larger livestock trailer for future projects.
