Description

I am a member of the Kinder Farm Park 4H Livestock Club in Anne Arundel County and I am raising a market goat this year for the first time. I am 10 and this is my second year in 4H - I really enjoy it! I love working with the animals. I love volunteering at the farm and showing others my animal projects. I am a club reporter as a way to share what I am learning with my club and the community. My market goat is a Boer named Swiss. He was born on January 1st, 2023 and he eats SunGlo 15% protein goat feed (purchased from The Mill in Bel Air), alfalfa, and field grasses.
