Description

I am a member of the Kinder Farm Park 4H Livestock Club in Anne Arundel County and I am raising a market turkey for the second time this year. This is my very second year in 4H and I love working with the animals. I love volunteering at the farm and showing others my animal projects. I am a club reporter as a way to share what I am learning with my club and the community. My turkey is an Orlopp Mammoth Bronze turkey born on April 4th, 2023 and it eats Nutrena 21% protein turkey feed (purchased from The Mill in Bel Air).
