### **Description**

This beautiful sow has been a lot of fun to work with. I named her Shiloh. The day I picked her up, my sister came with us and picked up her show goat. The goat is in a pen next to her and she comes over and "plays" with Shiloh. Shiloh is sweet, and always comes over to me when I'm around. She loves to eat! I have enjoyed training her with little treats and learning how to walk her. She's black and round and beautiful.

**Quantity:** 303
