Description

Meet my cross hog, Cherry. I purchased her in May from a well-known breeder in Mt. Airy. When I saw Cherry, I knew I wanted to buy her. I really liked her. When we first got Cherry, she weighed less than 30 pounds. She liked people. I learned that she loves marshmallows too, but I only give them as treats. She eats Sunglo 18% protein show feed every day. This has made her very strong. She loves mud. She also loves to run which isn't great for showing but it has helped her build muscle to make her strong. I hope that she makes someone very happy.
