**Sierra Williams - Lamar FFA**

**Start Time:** 3/30/2020 5:00 AM

**End Time:** 3/30/2020 5:00 AM

My name is Sierra Williams, I am currently a junior at Lamar High school. I have been in FFA for 3 years and ready to start my 4th year as a Senior. This year I raised a Duroc Gilt named Secret. She was the smallest pig in the barn and quickly became one of the

largest pig. My future plans are to raise a steer, a pig, and possible a lamb. Also, I plan on attending Southern University or Prairie View University to study animal science to become a veterinarian.

I have worked extremely hard and spent many of hours to prepare my gilt for the Lamar FFA Show & Auction. Unfortunately we are deeply saddened that Secret passed away on Sunday, March 22 of unknown causes. This was my first large project and won't be my last. Any donations that you'd like to make towards some of the funds that were potentially lost from not being able to show or auction my animals will be greatly appreciated! please donate as an " Add-on" Thank you!
