### **Description**

This is my Maintainer purebred steer Pisces. He was born in April of 2023 and I have been able to show him 4 times prior to the Anne Arundel County Fair. He placed Champion Steer at the Southern Maryland Livestock Invitational Show in June.

I have raised him on our 15 acre farm along with my other steer and 3 pigs that I care for daily. I am a Senior this year at Southern High school and the current President of Southern FFA. I am also currently a full time student at AACC.

This is my 8th year in 4H and 4th year in FFA.

Please consider supporting my livestock project which will help me pay for my college education.
