Description

My name is Owen this is my first year showing an animal in 4h although I have been a member of 4h since I was 8years old. I belong to both the Harwood 4h and the Bay Country 4h.

This year I will be auctioning my two lambs Ricky and Bobby. That's right shake and bake like from Talladega nights.

Bobby's personality is much more independent and brave then Ricky's. Bobby is happy to follow me around and is very receptive to training. Where Ricky really loves her sister and wants to follow her around all the time. Bobby also LOVES to eat, which is partially why she loves training because she gets treats when she does well so she is very motivated to do what is needed.

This is my first year doing a market lamb so it has been a challenge for me, but my lamb has helped make it memorable.

This year has taught me a lot about my skills and I felt proud of my efforts but also realize I have a lot more to learn next year and am looking forward to purchasing my next project with the proceeds from Ricky and Bobby. I am glad for my 4-H project experience and hope you will consider bidding on my lamb.
