City Beaumont

Description

Hi, my name is Colton Romero. I'm a senior at Hamshire Fannett High School and this is my first year showing rabbits. I have been very active and involved in the Hamshire Fannett FFA Chapter participating in many events and contests. I have been accepted into SFA and plan to attend this fall semester to major in Business Administration. The money I make selling my rabbits will go towards my college expenses. Thank you for your support.

Quantity: 1
