City winnie

Description

My name is Jillian Scout Gentile, and I am a senior at East Chambers High School. I have been participating in YMBL since I was 8 years old and my time here at YMBL is coming to an end. This is My steer "Cuatro", Cuatro placed 1st in his class, grand champion American steer, and was 3rd overall in the sale. The money that comes from selling Cuatro will go toward reaching my educational goals in college. After graduation I will be attending Blinn Jr College for 2 years, and then transferring to Texas A&M to pursue a career in Agriculture Communications. All support from you is appreciated!
