Description

My name is Dustin Poole. I am a Junior in high school. I have been showing livestock here at the South Texas State Fair since I was 8 years old. But this is my fist time to ever show a steer. I am extremely grateful to have the opportunity to show this steer. And so thankful to have won Grand Champion at the YMBL. My family and I are grateful for the opportunities and generosity that the YMBL has offered my sister, brother, and I. Thank you for supporting my Grand Champion Steer as I am planning to purchase a steer for my senior year and save money for college.

Thanks again.
