### **Description**

I named her Oakley Mae. I have taken care of her for 7 months now. I have learned so much from my second FFA project. My first project was a rabbit. But this second swine project is much more challenging, caring, encouraging and fulfilling. I had to care and feed her twice a day. I walk and trained her morning and evening on schedule seven days a week. I fed her with some of the finest Lindner Show Feed. I bathed her regularly. I did enter her in a three shows, her first show Oakley placed 4th , 5th and 9th.

I have made sure my Oakley Mae was well taken care of.
