### **Description**

Hello everyone! My name is Lauryn Houser and I am a proud member of your local Lumberton FFA. This is my first show calf ever and I have enjoyed every second of it. From the early feedings to the late nights in the barn halter breaking and everything in between. I am a senior this year at Lumberton High School so any of the funds I make off my steer will go towards college tuition and books! Thank you so much to everyone interested! Your gratitude will not go unnoticed!
