Description

Hi my name is Holden Loper. I have went to West Hardin CCISD my whole life and have lived in Texas my whole life. This year is my first year to show meat chickens and it has been a challenge. The energy and duration of hours has really made us stressed but we feel it is going to be worth it in the end. We will be showing our chickens at the peek of there life's and we hope you find something special in our well maintained birds. Thank you for your time.
