**Description**

My name is Brandt Hall. I am 10 years old and a 4<sup>th</sup> grader at Hamshire-Fannett Elementary School. This is my second year to raise and show chickens. I have enjoyed this project as it is teaching me responsibility. Even though I play sports and have lots of homework, I still had to feed and water my chickens. I also had to clean their pens every weekend. It was a lot of work, but I had fun. I am looking forward to doing it again next year.
