County Jefferson

City Beaumont

Description

Hello, my name is Catey Champagne, and I am a senior at Hamshire Fannett High School. This is my first year showing rabbits and I have enjoyed learning and taking on new responsibilities to raise my market pen of rabbits. I plan to attend Lamar University to major in Business Administration. The money I make from showing and competing at the South Texas State Fair will be put towards my college expenses. Thank you for your support.
