LOT 193 - Noe Montes ASTA

First Name Noe

Last Name Montes

FFA Chapter or 4H Club Name ASTA

County Bexar

City San Antonio

Description

My name is Noe Montes, I am a freshman at ASTA. I have been working with my goat, Billie Jean, since the middle of August this year. Since this is my first year, I have learned a lot about how to care for a goat. It has been an amazing experience so far. I've learned about the importance of nutrition and exercise. I have learned that there is a lot of responsibility involved such as giving weekly B12 and having to go twice daily to feed her and clean her pen. Also making sure that she's clean and doesn't have any infections or illnesses. It takes a lot of work to teach goats to walk with a lead and follow your direction. For the past few months my goat has been building up leg muscle and training every day. My family and I have invested a lot of time in helping Billie Jean to grow and remain healthy and strong. I am looking forward to showing her at the junior livestock show. In addition to my goat project, I have also participated in FFA Quiz LDEs (Leadership Development Events). My team made it to the state competition in Huntsville and we placed 5th out of 24 schools! We are hoping to make it to Nationals next year! In the future I hope to become a veterinarian, and I hope that my experiences at ASTA will help prepare me for college and a future career in veterinary medicine. I have definitely learned a lot so far this year. Outside of the livestock project, in my agricultural science class, I have learned about animal systems

and how they function. In the spring, I am looking forward to participating in Veterinary Medicine CDEs (Career Development Events) where I will have the opportunity to explore different aspects of veterinary medicine through hands on activities and treating various small animals. Knowing that I will have the chance to explore my future career is really exciting! I believe that ASTA is the best place for me to be! Through hard work and continued dedication, I know I will achieve my career goals! Outside of ASTA, I am a member of the O'Connor Junior Varsity Golf Team and I am a 2nd chair Violin on the O'Connor Concert Orchestra. I am also taking acoustic guitar lessons and I recently earned my senior brown belt in karate. I am so thankful to be able to explore my talents through sports and music! Thank you for your support and taking the time to read my story. If you are interested, I have attached some photos of Billie Jean and I from our first day to now! See you at the show!
