Short Description Heavy weight cross named Monkey

First Name Westen

Last Name Friesenhahn

FFA Chapter or 4H Club Name East Central FFA

County Bexar

City San Antonio

Description

My name is Westen Friesenhahn & I'm a sophomore at East Central High School. This is only my second year showing swine. I'm currently enrolled in all honors & AP classes while following the engineering career path with STEM endorsements. I plan on attending Texas A&M University to major in engineering. My freshman year I started working at St. Hedwig Feeds as this job allowed me to not only earn money towards my project but to educate me on the importance of feed and supplements. I will continue showing market and breeding swine the rest of my high school years.

Quantity: 1
