Short Description First year showing and I received 8th Place with my broiler cockerel pen!

First Name Owen

Last Name Daggett

FFA Chapter or 4H Club Name East Central FFA

County Bexar County

City Adkins

Description

My name is Owen and I am 9 years old. I am in 3rd grade at Pecan Valley Elementary School in East Central ISD. I am the only student at my school that shows animals! This is my first year showing animals. I received 8th place with my cockerels and 16th place with my pullets.

This was a fun project and I learned that the chickens liked to eat a lot! I also learned that I have to go outside with them during the day to make sure they have a clean house, fresh water, and a lot of food. This was a family project- my dad, mom, little sisters, grandpa, grandma, and cousins helped me with. We had to start with building the chicken house before the chickens came in and I even got to help build it!

I learned that the chickens can be heavy so I started to practice holding them to grow my muscles. I think my muscles are really big now because I was able to hold my chickens at the show and my arms didn't even hurt!

I would like to thank you for reading about my project and any support would be appreciated. I will save the money for college and future animal projects.
