**First Name** Lane

**Last Name** Torkelson

**FFA Chapter or 4H Club Name** ASTA

**County** bexar

**City** Helotes

**Description**

My FFA experience has only started, and I have learned so much already. Whether it's taking care of animals, or time management; I've gained my fair share of knowledge. This was my first year showing at Bexar County livestock show, finally getting to show in the Bexar County ring is something that I've been beyond excited for. With ringworm and other funguses holding me back last year the privilege of showing is something I don't take for granted. This year through hard work and long hours I've finally made it to Bexar County, and it was a blast. FFA has enabled me to realize there is a world beyond office jobs, and opportunities for Careers that are hands on. Through FFA I have become certified in stick welding, and I'm looking forward to showing and competing in Ag Mechanics next year in addition to my passion for raising and showing goats.

**Quantity:** 1
