Description

Hello My name is Elias Martinez.

Bexar County this year had its ups and downs. I showed two lambs and placed 4th with one.. Chiquita is my Cross Lamb. We have had her since October, I have many barn hours with Chiquita. Treadmill to hawks and so many walks. She has become a part of my heart that melts when you have to leave someone. That is Chiquita! She is my girl and will be one of my favorite lambs since I started in 3rd grade. I hope you can help me in future projects an place a Bid on my lot#
