Description

my name is Ashley Ernst (10th grade), daughter of Elizabeth and Ellis Ernst. I am a member of the James Madison FFA Chapter and am showing my market livestock project. i am showing my cross gilt named dolly. i have been working with my pig everyday since i got her. i get up every morning to feed her no matter the weather. i also feed and work with her every night. my parents joke that i care more about her than myself. though she might look like just food to most people, she means much more than that to me. she teaches me responsibilities and work ethic. i have learned that to succeed, you have to put in the hard work. having a pig keeps me very busy on top of my involvement in my schools JROTC program where i participate on 2 teams. One team is called raider and the other teams is called JLab. i work very hard at everything i do and would love if you came out to see my hard work in the show arena.
