Description

My name is Mason Lee. I am in the 10th grade and enjoy showing goats with my family. I've been a stock show kid since I was in the 3rd grade and have a passion for the livestock industry. My childhood has been spent growing up in the barn and I wouldn't have it any other way. I have learned many valuable lessons that I will use later in life, such as hard work, humility, responsibility and commitment to a goal. I am so thankful for the support from Midland County, it has allowed me to invest in my livestock projects and compete at the Texas majors.
