Description

Meet Lawsen Taylor, a high school senior passionate about the livestock industry. In his final year showcasing livestock, Lawsen is laying the foundation for a promising career. With ambitions of staying deeply connected to livestock, he envisions raising Show Pigs and pursuing animal nutrition as a feed representative. Balancing academics and the multifaceted aspects of breeding, hauling, selling, and fitting show pigs, Lawsen is set on completing a 4-year Ag Degree to solidify his expertise in this dynamic field. Get ready to witness Lawsen's journey as he shapes the future of the livestock industry.
