Description

Hello my name is Kaydence Stemmer and I am 12 years old and in 6th grade. We are new to Midland and I homeschool. This is my first year in 4H and I have learned so much in these few months. I have enjoyed making friends and becoming the vice president of Midland County 4H. I cannot wait to learn even more in the show ring, I will be showing Bleater Pan. If you will be at auction please check out the cake that I have entered also. Thank you for considering me and my goat.
