Description

Good morning,

My name is Joel Pooley. I am a sophomore at East Central High School and member of East Central FFA. This is my 8th year of showing swine. This year I have purchased 10 show swine. Caring for that many swine requires a lot of time in the barn, cleaning, feeding and culling down to keep and raise only the best. From my time working in the barn I have learned hard work, determination, and patience. I plan to show at San Antonio, Houston and Austin. This year at BCJLS, I placed 1st with my Cross Barrow, 2nd with my York Gilt and 5th with my Hampshire Barrow. I was in the top 2 for breed and market senior showmanship. My plans for the future is to attend Texas A&M in Kingsville and major in Range and Wildlife Management.
