Description

Hi, my name is Melany Avila and I am a junior at Southside High School. This is my third year in FFA and I am currently serving as the Alamo District FFA Reporter. I participate in various LDE's, CDE's, and am currently conducting Plant Research project.

I have previously shown broilers and market goats, but wanted to do something different this year. I was inspired by my late grandparents who inspired me to create a unique pot arrangement. This project is dedicated to them and named "Magical Memories" to showcase my love for them! The money raised from this project will go to future projects and show what I love doing. Thank you!
