City San Antonio

Description

Hi, my name is Chloe Garza, and I am a dedicated student at James Madison High School. I live a busy and fulfilling life as a member of the school's marching band and as a passionate goat raiser. Balancing these activities can be difficult but I found a way to make it work because I am committed to both my musical and agricultural pursuits. As a member of the marching band, I invest countless hours in practices, performances, and competitions. I have developed valuable skills such as teamwork, discipline, and leadership, and I take great pride in representing my school through music and performance. In addition to my musical endeavors, I am deeply involved in raising goats. This has been a meaningful and educational experience for me, teaching me responsibility, compassion, and the value of hard work. I am dedicated to providing the best care for my goats and ensuring their well-being. For my future goat projects, I am seeking financial support. Your donation will directly contribute to the care, feeding, and housing of my goats, educational and personal growth experience. Your contribution will also support the costs associated with participating in goat-related events and competitions, where I can showcase the results of my hard work and dedication. By supporting my project, you are not only investing in the well-being of my goats, but also in my personal and academic development. Your generosity will

enable me to continue pursuing my passions, developing important life skills, and community. I am incredibly grateful for any support you can provide, and I assure you that your donation will be used responsibly and with the utmost dedication to my goats at James Madison High School. Thank you for considering supporting my project.
