Validation Tag or Show reference# 249785

County Bexar

City San Antonio

Animal Weight (in Pounds) 130

Date of Reported Weight 01/11/2024

Description

Hello, my name is Nathan Griffiths. I am currently a sophomore at James Madison High School, in North East Independent School District (NEISD). I have raised lambs at Madison for the past two years. This year, I have been raising a medium wool wether named Ed. I look forward to working with him daily and watching him grow into a strong healthy lamb. My daily routine includes feeding him in the morning and evening. His current diet consists of feed mixture with supplements to enhance his body and condition. These include high noon, gut candy, champion drive. Everyday I work him out either on the treadmill or I take him to do sprints. I spend about 4 hours per day with my animal. My goal is to have him ready for the San Antonio Rodeo. Ed's first show on September 16, 2023 he placed 4th. We then attended Lone Star Classic along with James Madison Fall Challenge. Most recently he showed at Bexar County Junior Livestock Show placing 4th. With my earnings I would put it toward raising and showing more lambs in the future. I

really enjoy competing and being a part of the FFA program; it has been a great learning experience.
