Description

Hi im Kensley Welborn and I am currently a senior at James Madison high school. I currently have 4 animals. I have two commercial does, one commercial ewe, and one market wether. These four animals are basically my entire life, and when I am not taking care of them I am working to pay for their expenses. All the money that I make in this auction will be going towards my college. I plan on attending Texas Tech University in the fall of 2024 and majoring in Animal Science with hopes of one day running my own livestock breeding operation. Thank you for your time, anything helps!
