Description

Howdy, my name is Westin Smith and I'm currently a senior in High School and an active member of the James Madison FFA chapter. This is my third year showing livestock, and my second year showing lambs. Along with livestock showing, I'm also involved in the Ag mechanics and food science/technology pathways in my ag program. Over the past three years I have been blessed to take home a few banners, buckles, and memories with my livestock. This year in particular, I have found quite a bit of success winning Back to Back Grand Champion lamb and breed champion Southdown at the SHHH show series, champion showman at the Fall Challenge, Reserve Champion Fitting Team YGB livestock camp, Grand Champion Senior Showman at the North East. Showmanship Shootout, Top 3 showman at the Fayette county fair, and more. After countless hours in the barn, years of watching my older brother show and set an example of what an astounding showman should look like, and many many prayers, God Gifted me with my biggest win yet. Grand Champion Market Lamb at the Bexar County Junior livestock show. The earnings I receive from this auction will assist me in furthering my agricultural education experience at tarleton state university where I plan to major in Animal Science. From there I hope to run my own sheep operation some day and can help bring kids like me success with their livestock projects.
