### **Description**

Hey yaw im **Jackalynn Bass** I am a fresman at willis I am showing a **barrow** named traeger he is a cross and is about **254lbs**. This is my first year showing any animals and I was hoping to use the money I earn this year for my project next year but due to the fair being cancelled I did not get to show. I have learned so many lessons that I will use as I go through life like responsibility, time management and how to take care for another living thing and I have also learned that even if it's hard work it's a lot of fun in the long run. I can't wait to do this next year and for the rest of high school thank you for all the help!!
