**Description**

My name is Miranda Chodzko. I am a Junior at Bellaire High school and president of the Bellaire FFA chapter this year. This year I raised a goat. "Mr. goat" is 96 lbs. Going out to feed my goat twice a day has taught me how to be responsible and working with his stubbornness has taught me to be patient. These are skills that will come in handy in the future. I will use the money that I earn from this project for my college education.
