Description

Hello my name is Savannah Begley; I am a Sophomore at Bellaire High School. This is my 5th year in the program and also the 5th year exhibiting livestock. I am currently Vice President of my chapter. I love taking care of my animals and making sure that they have all they need to thrive and to be productive. In my 5 years in the program I have raised and exhibited Several different animals. I have raised steers, goats, and heifers and have won numerous accolades with them. This is my first lamb; her name is Cruella. She is 166lbs and should yield you very good quality meat for the buyer. I won showmanship this year at the showmanship show with her. I am very proud of that especially since I was competing against very good and veteran lamb showmen. I was looking forward to showing her at the school show this year but that did not happen. I have learned a lot about lambs this year. And look forward to raising another one next year. Thank you everyone for supporting me and I ask that you consider either purchasing my lamb or by giving me an add-on. Thank you all and God Bless.

Philippians 4:13 I can do all things through him that gives me strength.
