

Sale Name: Bellaire FFA Livestock Show & Auction

LOT - Raquel Bosley Bellaire FFA

First Name Raquel

Last Name Bosley

FFA Chapter or 4H Club Name Bellaire FFA

County Harris

City Bellaire

Description

I'm Raquel Bosley. Thank you for viewing my lamb project. I'm a junior at Bellaire HS and have been an active member of Bellaire HS FFA for 4 years. This is my fourth lamb project. In addition to FFA, I am also a member of eMotions Dance, Yearbook Photographer and Incoming President of Cardinal Booster Club.

My project this year is named Yang. She is a Hampshire ewe born in April 2019. I have raised her since Nov 6th when she weighed 95 pounds. Currently she is 162 pounds. Since November, Yang has consumed about 450 lbs of feed, gaining .45 lbs/day on average and requiring nearly 500 man-hours of care and training. I have created such a close bond working with Yang through the hours and days spent caring for her.

You are viewing what i believe would have been this year's Bellaire HS FFA Champion market lamb. Please note the following characteristics:

- Structurally she has a large frame and is well balanced
- She has a trim neck and breast
- Her neck ties nicely to the top of her shoulder
- She is straight topped and deep bodied with a bold spring of rib
- She has a correct set of legs and has a long east stride, walking wide in both front and rear.

As for muscularity:

- She has balanced proportions, with a muscular, thick and long loin
- She is full and level over her dock
- She has muscular forearms and smooth shoulders
- She is evenly finished with a natural expression of muscling throughout

Thank you again for viewing. I hope to use the proceeds from this auction toward both college and my next lamb project.

Quantity: 1
