Description

Hi, my name is Christa Coffman. I am a junior at Bellaire High School and this is my second year as an active member in Bellaire FFA. This is my first year doing a project, I raised a lamb named Yin, and she is currently 156 lbs. She is a Hampshire ewe and has quite the personality, but I have worked with Yin and have created a close bond with her. I learned so much through working with her and look forward to raising another lamb in the future. I will use the money I earn from this project to my future FFA projects.
