## Description

Howdy, my name is Lydia Eaves and I am a senior at Bellaire. This is my third year in FFA and my second year raising chickens. I can't wait to attend Texas A&M in the fall, and continue my love and passion for chickens in the Poultry Science Club. Although I am disappointed I won't have the opportunity to defend my Grand Champion title in market broilers this year, I am grateful for the opportunities and valuable lessons learned through my time in FFA. I love my chickens and I am dedicated to making sure they live the happiest and most comfortable seven weeks possible. They are fat and juicy and ready for your bid! Thank you to our buyers and alumni for your continued support!
