Description

Hello, My name is Chris Parrack and I am a sophomore at Bellaire High School and I raised my first steer for the show this year. His name is Buck and he is a charlais cross. He has been a lot of fun to raise. He has really progressed well this year and looks great! I've been in FFA for 3 years and raised a pig and a heifer prior to getting Buck. I planned to do the calf scramble at HLSR this year to fund my project for next year but it was cancelled. I would appreciate your bid and know you will enjoy your premium beef!
