**County** Harris

**City** Bellaire

## Description

***Hello my name is Megan Begley. I am 14 years old and am an 8<sup>th</sup> grader at Pershing Middle School. This is my 5<sup>th</sup> year in the program. This is my first year raising a market animal. I am raising a pig I named her Edith. Edith and I won Showmanship this year at the showmanship show. Edith has been fun to raise and I have learned alot about Pigs this year. I love Edith and I hope to do another one next year. I have raised three heifers and one of them had a calf which I have showed as well. Next year will be my first year at Bellaire High School where I will be a freshman. I look forward to raising future projects which is what I will be using any money earned this year for my next project. Thank you all for your support.***
