Description

My name is Rishi Venkateswaran and I am 15 years old. I play soccer and I am currently working on earning my Eagle Scout rank. I am a sophomore at Bellaire Highschool and this is my third year in Bellaire FFA and my third year raising a pig. FFA has taught me that it takes a lot of effort to raise a project. I have to be prepared for sudden changes that occur throughout raising an animal. Lots of work goes into keeping the animals clean, happy, and healthy.
