### **Description**

Hi, my name is Quinn and I am a Sophomore at Bellaire High School. I plan on attending Texas A&M after high school and getting a degree in engineering. This is my first year in the FFA program. My animal this year is a pig named Chalupa. I got her on December 4th, when she was just 3 months old at 50 pounds. She has gained an average of 1.7 pounds per day to reach her current weight of 254 pounds.

I have enjoyed raising Chalupa very much throughout these past few months, and hope you will help me achieve my dreams of going to college.
