Description

As part of the Cy Woods FFA Chapter, I am in my final year of High School. It is a bittersweet time for me being a Senior. In all my 4 years of high school I have raised Lamb projects for Cy Woods. Raising animals for FFA is definitely a passion of mine and I have enjoyed every good and every challenging scenario that has come along with the responsibility of having a lamb. This school year, my lamb and I had a tough start due to the delay in receiving the lambs because of illness. We were able to overcome that obstacle by building a regimented training schedule, following specific guidelines for feed and consistent grooming. We are show ready!

Along with being a lamb raiser I also, participate in Horticulture projects. I am proud to be a part of this FFA Chapter which has taught me so much about agriculture, wildlife, animals, and veterinarian medical science. Any funds made from the sale of my FFA projects will be used for my upcoming college career. I am looking forward to pursuing my college degree in Zoology, Animal Science and the like.

Thank you for considering my lamb project.
