EAR TAG# 33

City Houston

Description

My name is Mercy Pena and I am Junior at Jersey Village High School. This is my 2nd year in FFA and raising animals. Last year I raised a pig and decided to take a big step forward and raise a market steer this year. It has a lot of work since May, but I have enjoyed the project so much. I have learned patience, how to not give up, and that I am really tough. At JVHS, I am in Varsity Choir and I am very passionate about FFA. I am on the milk product CDE team and I am the FFA Chapter Parliamentarian. Thank you so much for your support of my project and the CIFSD Livestock Show.
